

StarLink

Discover our
innovative lineup of
wireless accessories.

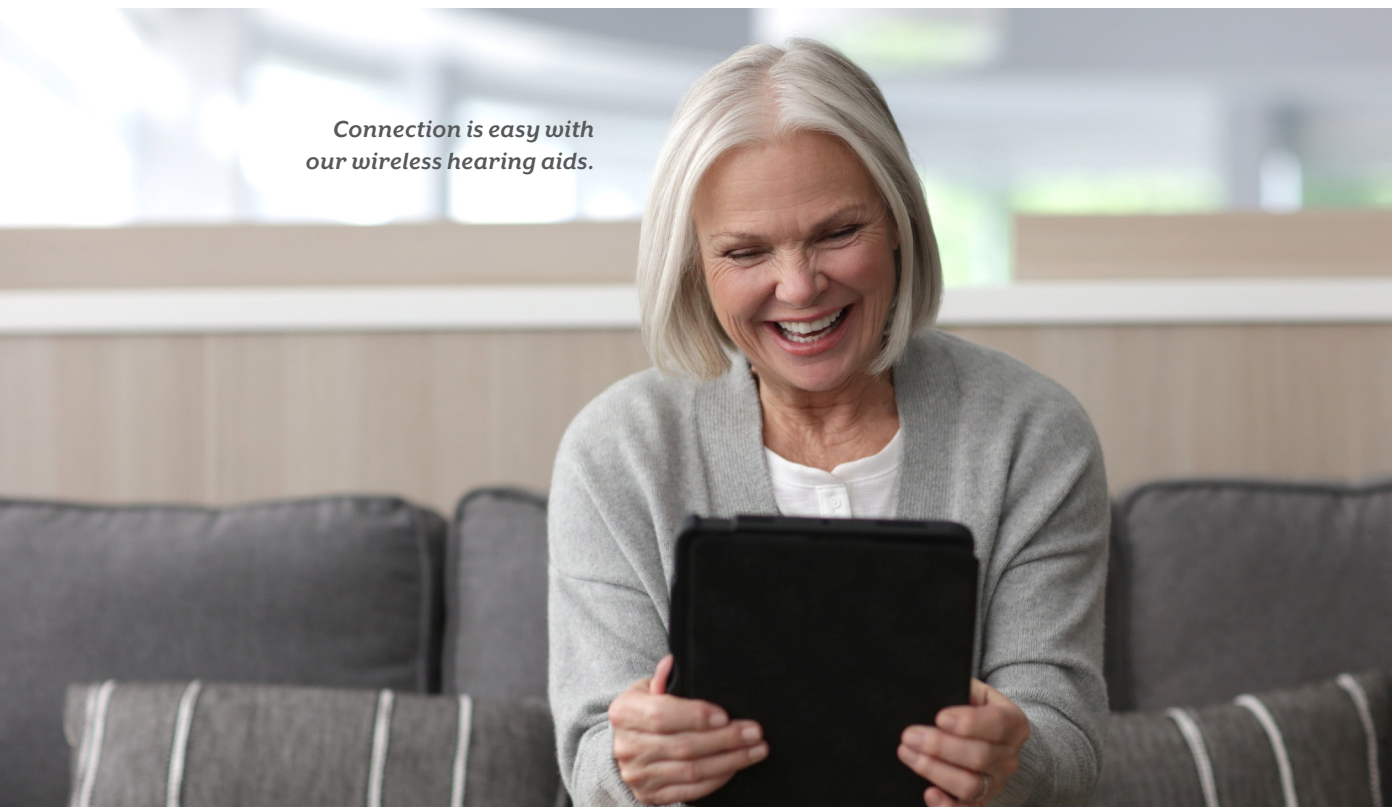

A connected experience is an **expectation.**

Wireless accessories stream the sounds you love directly to your hearing aids.

Our accessories paired with our wireless hearing aids, connect you to your favorite music, TV shows, and phone calls with superior sound quality.

Enabled with Bluetooth® technology, they are easy to pair and use.

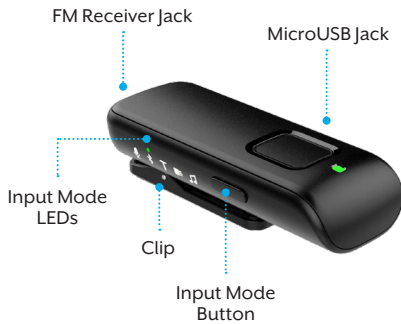

Connection is easy with our wireless hearing aids.

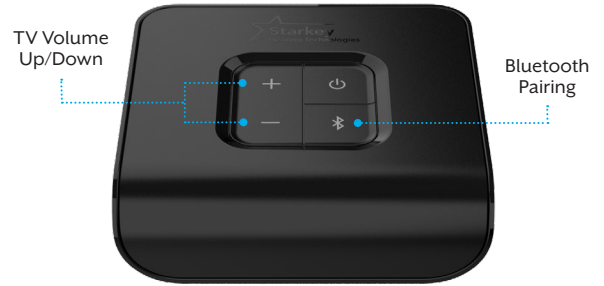

□ Mini Remote Microphone

Enjoy one-on-one conversations in noisy environments with our small, easy-to-use Mini Remote Microphone. Simply clip it to the clothing of the person you're talking to and enjoy the conversation.

□ Remote Microphone +

In noisy environments, easily stream to both ears from Bluetooth, Telecoil, FM or Line-In and enjoy your one-on-one conversations to the fullest.

□ TV Streamer

Easily stream audio from your TV or other electronic audio source directly to your hearing aids. It offers excellent sound quality, is easy to use and supports both analog and digital input sources.

□ Remote Control

Control memory and volume, mute hearing aids and turn other special features on and off.

□ Table Microphone

A multi-functional device designed to improve listening in group gatherings or noisy restaurants. It also functions as a TV streamer or even a body-worn remote microphone.

Easily connect
to your life.

Talk to your hearing care
professional about finding the
right accessories for your most
important hearing needs.
